

Texas Amputees Need Your Help!

THE FACTS

- In the U.S., 507 people lose a limb each day
- Each year, more than 6,000 Texans undergo amputation of a leg*
- Medicaid does not cover prosthetic care for Texans over age 17
- In the past two years, LFL has provided more financial assistance for prosthetic care in Texas than in any other state

From January 1 to November 30, 2020:

- 149 Texas Amputees applied to LFL for Financial Assistance
- 70 Texans received new limbs through Limbs for Life
- 30 more are in the process of getting new limbs

Double Your Impact Today!
